Personal information you disclose to us.

In Short: We collect personal information that you provide to us.

We collect personal information that you voluntarily provide to us when you express an interest in obtaining information about us or our products and Services, when you participate in activities on the Website or otherwise when you contact us.

The personal information that we collect depends on the context of your interactions with us and the Website, the choices you make and the products and features you use. The personal information we collect may include the following:

Personal Information Provided by You. We collect names; phone numbers; email addresses; mailing addresses; contact preferences; contact or authentication data; billing addresses; and other similar information.

All personal information that you provide to us must be true, complete and accurate, and you must notify us of any changes to such personal information.

Information automatically collected

In Short: Some information — such as your Internet Protocol (IP) address and/or browser and device characteristics — is collected automatically when you visit our Website.

We automatically collect certain information when you visit, use or navigate the Website. This information does not reveal your specific identity (like your name or contact information) but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our Website and other technical information. This information is primarily needed to maintain the security and operation of our Website, and for our internal analytics and reporting purposes.

Like many businesses, we also collect information through cookies and similar technologies.

The information we collect includes:

Log and Usage Data. Log and usage data is service-related, diagnostic, usage and performance information our servers automatically collect when you access or use our Website and which we record in log files. Depending on how you interact with us, this log data may include your IP address, device information, browser type and settings and information about your activity in the Website (such as the date/time stamps associated with your usage, pages and files viewed, searches and other actions you take such as which features you use), device event information (such as system activity, error reports (sometimes called 'crash dumps') and hardware settings).

Device Data. We collect device data such as information about your computer, phone, tablet or other device you use to access the Website. Depending on the device used, this device data may include information such as your IP address (or proxy server), device and application identification numbers, location, browser type, hardware model Internet service provider and/or mobile carrier, operating system and system configuration information.

Location Data. We collect location data such as information about your device's location, which can be either precise or imprecise. How much information we collect depends on the type and settings of the device you use to access the Website. For example, we may use GPS and other technologies to collect geolocation data that tells us your current location (based on your IP address). You can opt out of allowing us to collect this information either by refusing access to the information or by disabling your Location setting on your device. Note however, if you choose to opt out, you may not be able to use certain aspects of the Services.

2. HOW DO WE USE YOUR INFORMATION?

In Short: We process your information for purposes based on legitimate business interests, the fulfillment of our contract with you, compliance with our legal obligations, and/or your consent.

We use personal information collected via our Website for a variety of business purposes described below. We process your personal information for these purposes in reliance on our legitimate business interests, in order to enter into or perform a contract with you, with your consent, and/or for compliance with our legal obligations. We indicate the specific processing grounds we rely on next to each purpose listed below.

We use the information we collect or receive:

To facilitate account creation and logon process. If you choose to link your account with us to a third-party account (such as your Google or Facebook account), we use the information you allowed us to collect from those third parties to facilitate account creation and logon process for the performance of the contract.

To post testimonials. We post testimonials on our Website that may contain personal information. Prior to posting a testimonial, we will obtain your consent to use your name and the content of the testimonial. If you wish to update, or delete your testimonial, please contact us at mrgilroy@gmail.com and be sure to include your name, testimonial location, and contact information.

Request feedback. We may use your information to request feedback and to contact you about your use of our Website.

To manage user accounts. We may use your information for the purposes of managing our account and keeping it in working order.

To send administrative information to you. We may use your personal information to send you product, service and new feature information and/or information about changes to our terms, conditions, and policies.

To protect our Services. We may use your information as part of our efforts to keep our Website safe and secure (for example, for fraud monitoring and prevention).

To enforce our terms, conditions and policies for business purposes, to comply with legal and regulatory requirements or in connection with our contract.

To respond to legal requests and prevent harm. If we receive a subpoena or other legal request, we may need to inspect the data we hold to determine how to respond.

To send you marketing and promotional communications. We and/or our third-party marketing partners may use the personal information you send to us for our marketing purposes, if this is in accordance with

your marketing preferences. For example, when expressing an interest in obtaining information about us or our Website, subscribing to marketing or otherwise contacting us, we will collect personal information from you. You can opt-out of our marketing emails at any time (see the "WHAT ARE YOUR PRIVACY RIGHTS?" below).

Deliver targeted advertising to you. We may use your information to develop and display personalised content and advertising (and work with third parties who do so) tailored to your interests and/or location and to measure its effectiveness.

For other business purposes. We may use your information for other business purposes, such as data analysis, identifying usage trends, determining the effectiveness of our promotional campaigns and to evaluate and improve our Website, products, marketing and your experience. We may use and store this information in aggregated and anonymized form so that it is not associated with individual end users and does not include personal information.

3. WILL YOUR INFORMATION BE SHARED WITH ANYONE?

In Short: We only share information with your consent, to comply with laws, to provide you with services, to protect your rights, or to fulfill business obligations.

We may process or share your data that we hold based on the following legal basis:

Consent: We may process your data if you have given us specific consent to use your personal information for a specific purpose.

Legitimate Interests: We may process your data when it is reasonably necessary to achieve our legitimate business interests.

Performance of a Contract: Where we have entered into a contract with you, we may process your personal information to fulfill the terms of our contract.

More specifically, we may need to process your data or share your personal information in the following situations:

Business Transfers. We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.

4. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

In Short: We may use cookies and other tracking technologies to collect and store your information.

We may use cookies and similar tracking technologies (like web beacons and pixels) to access or store information. Specific information about how we use such technologies and how you can refuse certain cookies is set out in our Cookie Notice.

5. HOW LONG DO WE KEEP YOUR INFORMATION?

In Short: We keep your information for as long as necessary to fulfill the purposes outlined in this privacy notice unless otherwise required by law.

We will only keep your personal information for as long as it is necessary for the purposes set out in this privacy notice, unless a longer retention period is required or permitted by law (such as tax, accounting or other legal requirements). No purpose in this notice will require us keeping your personal information for longer than 90 days.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

6. DO WE COLLECT INFORMATION FROM MINORS?

In Short: We do not knowingly collect data from or market to children under 18 years of age.

We do not knowingly solicit data from or market to children under 18 years of age. By using the Website, you represent that you are at least 18 or that you are the parent or guardian of such a minor and consent to such minor dependent's use of the Website. If we learn that personal information from users less than 18 years of age has been collected, we will deactivate the account and take reasonable measures to promptly delete such data from our records. If you become aware of any data we may have collected from children under age 18, please contact us at mrgilroy@gmail.com.

7. WHAT ARE YOUR PRIVACY RIGHTS?

In Short: In some regions, such as the European Economic Area (EEA) and United Kingdom (UK), you have rights that allow you greater access to and control over your personal information. You may review, change, or terminate your account at any time.

In some regions (like the EEA and UK), you have certain rights under applicable data protection laws. These may include the right (i) to request access and obtain a copy of your personal information, (ii) to request rectification or erasure; (iii) to restrict the processing of your personal information; and (iv) if applicable, to data portability. Cookies and similar technologies: Most Web browsers are set to accept cookies by default. If you prefer, you

can usually choose to set your browser to remove cookies and to reject cookies. If you choose to remove cookies or reject cookies, this could affect certain features or services of our Website. To opt-out of interest-based advertising by advertisers on our Website visit <http://www.aboutads.info/choices/>.

8. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. At this stage no uniform technology standard for recognising and implementing DNT signals has been finalised. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this privacy notice.

9. DO WE MAKE UPDATES TO THIS NOTICE?

In Short: Yes, we will update this notice as necessary to stay compliant with relevant laws.

Last updated February 15, 2023

This Cookie Policy explains how Commercial and Asset Finance Limited ("Company", "we", "us", and "our") uses cookies and similar technologies to recognise you when you visit our websites at www.commercialandasset.co.uk, ("Websites"). It explains what these technologies are and why we use them, as well as your rights to control our use of them.

In some cases we may use cookies to collect personal information, or that becomes personal information if we combine it with other information.

What are cookies?

Cookies are small data files that are placed on your computer or mobile device when you visit a website. Cookies are widely used by website owners in order to make their websites work, or to work more efficiently, as well as to provide reporting information.

Cookies set by the website owner (in this case, Commercial and Asset Finance Limited) are called "first party cookies". Cookies set by parties other than the website owner are called "third party cookies". Third party cookies enable third party features or functionality to be provided on or through the website (e.g. like advertising, interactive content and analytics). The parties that set these third party cookies can recognise your computer both when it visits the website in question and also when it visits certain other websites.

Why do we use cookies?

We use first and third party cookies for several reasons. Some cookies are required for technical reasons in order for our Websites to operate, and we refer to these as "essential" or "strictly necessary" cookies. Other cookies also enable us to track and target the interests of our users to enhance the experience on our Online Properties. Third parties serve cookies through our Websites for advertising, analytics and other purposes. This is described in more detail below.

The specific types of first and third party cookies served through our Websites and the purposes they perform are described below (please note that the specific cookies served may vary depending on the specific Online Properties you visit):

How can I control cookies?

You have the right to decide whether to accept or reject cookies. You can exercise your cookie rights by setting your preferences in the Cookie Consent Manager. The Cookie Consent Manager allows you to select which categories of cookies you accept or reject. Essential cookies cannot be rejected as they are strictly necessary to provide you with services.

The Cookie Consent Manager can be found in the notification banner and on our website. If you choose to reject cookies, you may still use our website though your access to some functionality and areas of our website may be restricted. You may also set or amend your web browser controls to accept or refuse cookies. As the means by which you can refuse cookies through your web browser controls vary from browser-to-browser, you should visit your browser's help menu for more information.

In addition, most advertising networks offer you a way to opt out of targeted advertising. If you would like to find out more information, please visit www.aboutads.info/choices/ or www.youronlinechoices.com.

The specific types of first and third party cookies served through our Websites and the purposes they

perform are described in the table below (please note that the specific cookies served may vary depending on the specific Online Properties you visit):

Essential website cookies:

These cookies are strictly necessary to provide you with services available through our Websites and to use some of its features, such as access to secure areas.

Name: __tlbcpv

Purpose: Used to record unique visitor views of the consent banner.

Provider: termly.io

Service: Termly View Service Privacy Policy

Country: United States

Type: http_cookie

Expires in: 1 year

What about other tracking technologies, like web beacons?

Cookies are not the only way to recognise or track visitors to a website. We may use other, similar technologies from time to time, like web beacons (sometimes called "tracking pixels" or "clear gifs"). These are tiny graphics files that contain a unique identifier that enable us to recognise when someone has visited our Websites or opened an e-mail including them. This allows us, for example, to monitor the traffic patterns of users from one page within a website to another, to deliver or communicate with cookies, to understand whether you have come to the website from an online advertisement displayed on a third-party website, to improve site performance, and to measure the success of e-mail marketing campaigns. In many instances, these technologies are reliant on cookies to function properly, and so declining cookies will impair their functioning.

Do you use Flash cookies or Local Shared Objects?

Websites may also use so-called "Flash Cookies" (also known as Local Shared Objects or "LSOs") to, among other things, collect and store information about your use of our services, fraud prevention and for other site operations.

If you do not want Flash Cookies stored on your computer, you can adjust the settings of your Flash player to block Flash Cookies storage using the tools contained in the Website Storage Settings Panel. You can also control Flash Cookies by going to the Global Storage Settings Panel and following the instructions (which may include instructions that explain, for example, how to delete existing Flash Cookies (referred to "information" on the Macromedia site), how to prevent Flash LSOs from being placed on your computer without your being asked, and (for Flash Player 8 and later) how to block Flash Cookies that are not being delivered by the operator of the page you are on at the time).

Please note that setting the Flash Player to restrict or limit acceptance of Flash Cookies may reduce or impede the functionality of some Flash applications, including, potentially, Flash applications used in connection with our services or online content.

Do you serve targeted advertising?

Third parties may serve cookies on your computer or mobile device to serve advertising through our Websites. These companies may use information about your visits to this and other websites in order to provide relevant advertisements about goods and services that you may be interested in. They may also employ technology that is used to measure the effectiveness of advertisements. This can be accomplished by them using cookies or web beacons to collect information about your visits to this and other sites in order

to provide relevant advertisements about goods and services of potential interest to you. The information collected through this process does not enable us or them to identify your name, contact details or other details that directly identify you unless you choose to provide these.

How often will you update this Cookie Policy?

We may update this Cookie Policy from time to time in order to reflect, for example, changes to the cookies we use or for other operational, legal or regulatory reasons. Please therefore re-visit this Cookie Policy regularly to stay informed about our use of cookies and related technologies.

The date at the top of this Cookie Policy indicates when it was last updated.

Where can I get further information?

If you have any questions about our use of cookies or other technologies, please email us at laura@commercialandasset.co.uk or by post to:
